Subject: RE: Feedback on Advanced Notification: Bradham/Remediation produces long-term changes in soil lead bioavailability...
Attachments: 08.08.18 Revised bioavailability ms.pdf

Good morning Annette,

Thank you for your email and the review information.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Please let me know if you have questions about the responses or need additional information. May we submit the manuscript to the journal at this point (which is required for the FY18 product)?

Thank you for your help with the review,
Karen

Karen,

Ex. 5 Deliberative Process (DP)

I hope to get to this tomorrow (was out of country & still making my way back). Thanks for your patience.

Please see the attached messages from the Office of the Administrator and Region 7 on this paper and share them with the authors for their consideration.

Sincerely,
Andrew
